

Our Programs

The Foundation Program + The Limited Risk Program

Our Foundation and Limited Risk Programs are full-service programs designed to save time and money by offering unlimited matching with a thoroughly screened surrogate, helping you become a parent faster.

What Both Programs Deliver:

- Industry-leading 1 – 4 month average wait times: Find out the 3 ways we help you [become a parent faster](#).
- An investment in marketing and outreach to find more qualified surrogates: Find out [why marketing matters](#).
- We don't match you too early with a surrogate: Find out why matching too early [costs you time and money](#).
- We carefully control the ratio of surrogates to intended parents: Find out how this keeps our [wait times consistently low](#).

See following pages for individual program breakdowns and costs.

The Foundation Program

This program is similar to how most surrogacy agencies charge for services. It is a **pay-as-you-go program** that offers a lower starting cost but does require more potential out-of-pocket fees for services if the match falls through or disrupts for any reason.
